

satranç oynuyoruz

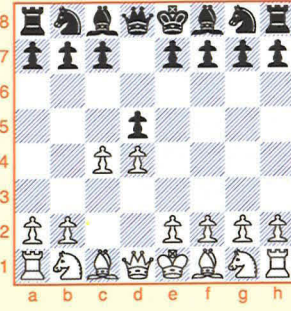

David Janowski'nin 1896 yılında Nuremberg'de, E. Schallopp'a karşı kazandığı oyunu diyagramlar ve satranç notasyonu yardımıyla siz de kendi tahtanızda tekrar edin. Bir satranç defteri tutup oynadığınız oyunları yazarsanız, daha sonra inceleyip hatalı hamlelerinizi görebilir ve gelecek oyunlarınızda aynı hataları yapmaktan kaçınabilirsiniz.
