

Resim yaparak zaman
geçirmekten hoşlanıyorsanız
bu kitapçık tam size göre...

Buraya adınızı yazabilirsiniz.

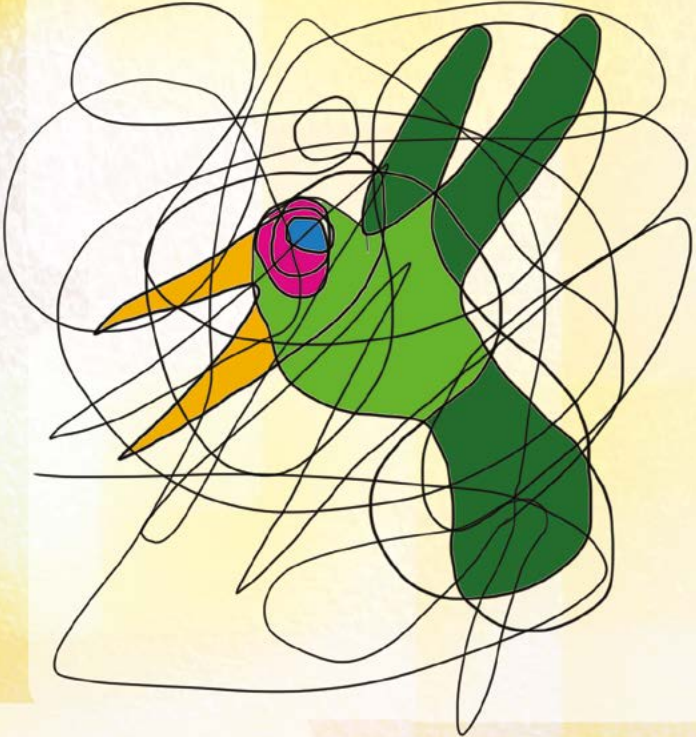

Gözlerinizi kapatın ve buraya bir kedi resmi yapın.

KEDİ →

Bu sayfalara kurşun kalemle bir çizgi çizmeye başlayın. Bunu yaparken kaleminizi kâğıdın üzerinden hiç kaldırmayın ve rastgele çizin. Sonra anlamlı bir şekil oluşturan çizgiler bulmaya çalışın. Ardından bu şekli boyayın.

the 1990s, the incidence of *S. flexneri* infections in the United Kingdom has increased, and the incidence of *S. flexneri* infection in the United States has increased in the 1990s [10].

There is a paucity of data on the incidence of *S. flexneri* infection in the United Kingdom. The only study of the incidence of *S. flexneri* infection in the United Kingdom was conducted in 1980, when the incidence of *S. flexneri* infection was 1.1 cases per 100 000 population per year [11]. The incidence of *S. flexneri* infection in the United Kingdom has not been reported since 1980.

The purpose of this study was to determine the incidence of *S. flexneri* infection in the United Kingdom in the 1990s. The study was conducted in the United Kingdom, where the incidence of *S. flexneri* infection has not been reported since 1980. The study was conducted in the United Kingdom, where the incidence of *S. flexneri* infection has not been reported since 1980.

Bu sayfalarda beşerli gruplar halinde kırmızı noktalar var. Bu beşerli noktaları içine alan insan resimleri yapmanızı istiyoruz. Ancak her insan resminde noktaların ikisi ellerde, ikisi ayaklarda ve biri de başta yer alsın.

Bu daire çiftlerinin her birini minik birer resme dönüştürebilir misiniz? Birkaçını sizin için biz yaptık.

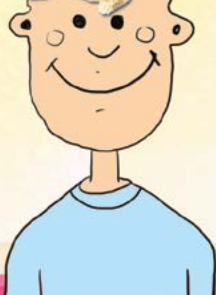

Bu sayfadaki resmi tamamlayın.

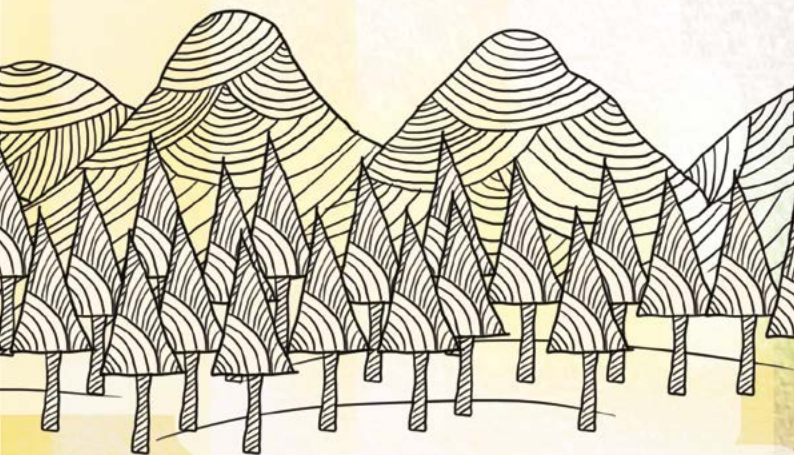

Bu sebze fotoğraflarını birer resme
dönüştürebilir misiniz?

Buradaki resme rengârenk kuşlar çizin.

Bu kutulara birer resim çizmenizi istiyoruz.
Dilerseniz her gün bir resim yaparak bu etkinliği
on dört günde tamamlayabilirsiniz. Ne çizeceğiniz
kutuların üstünde ya da altında yazıyor.

Güzel bir bahçe

İlginç bir sandalye

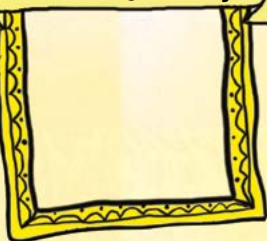

Bir anahtar

Gölgeler

Sualtı dünyası

Dondurma

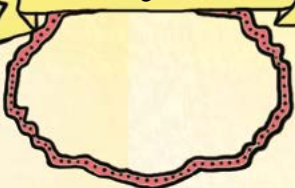

En sevdiğiniz kuş

Bir gökcismi

En sevdiğiniz böcek

Kırmızı bir şey

Bir arkadaşınız

Özlediğiniz bir şey

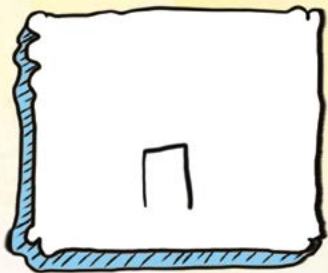

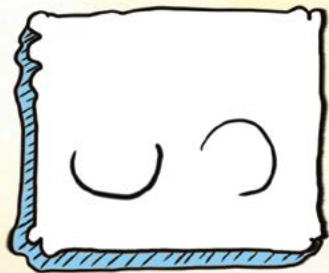

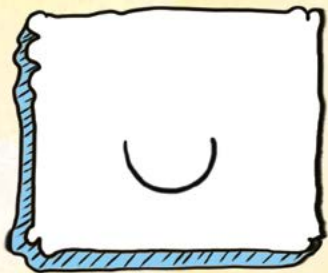

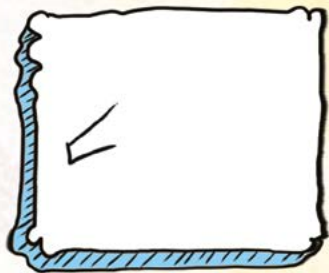

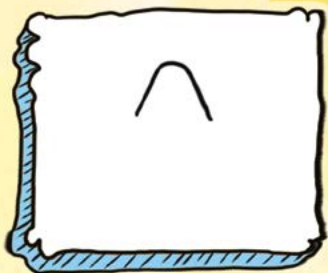

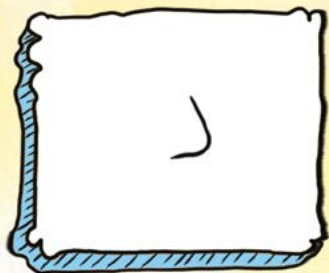

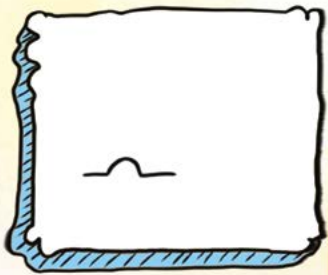

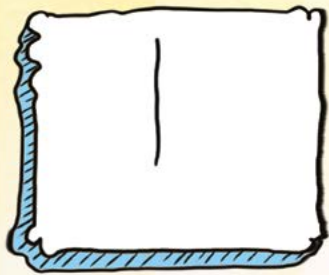

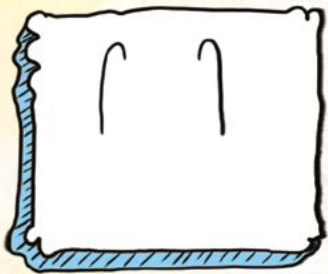

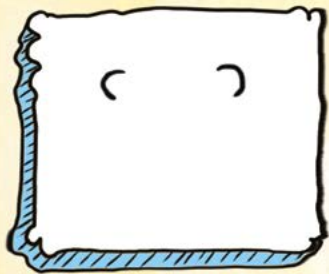

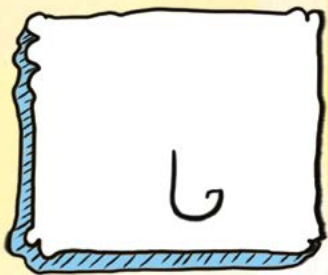

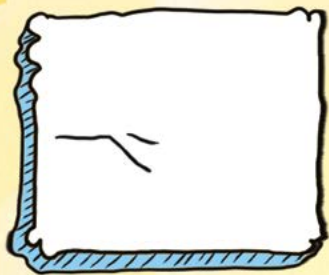

Bir uzay aracı

En sevdiğiniz kitap kahramanı

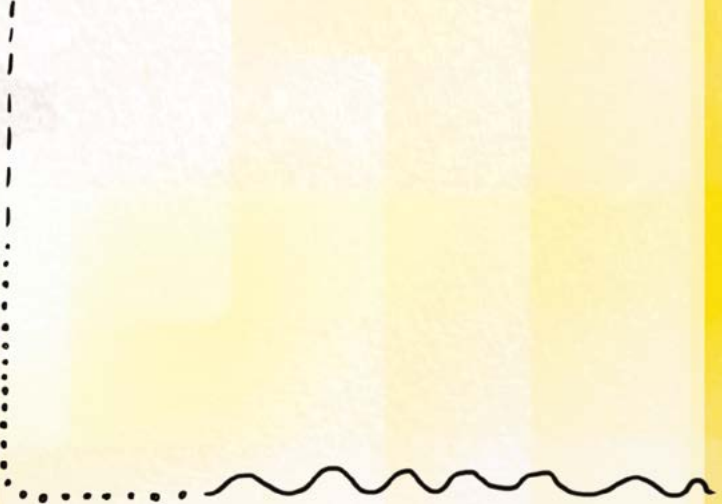

Bu kutulardaki çizgileri minik birer resme dönüştürebilir misiniz?

Kesik, zikzak, noktalı, dalgalı... Bunların dışında nasıl çizgiler olabilir? Bu sayfalara birbirinden farklı çizgiler çizin.

Yan sayfadaki parmakların her birini bir insana dönüştürün.

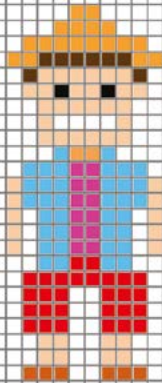

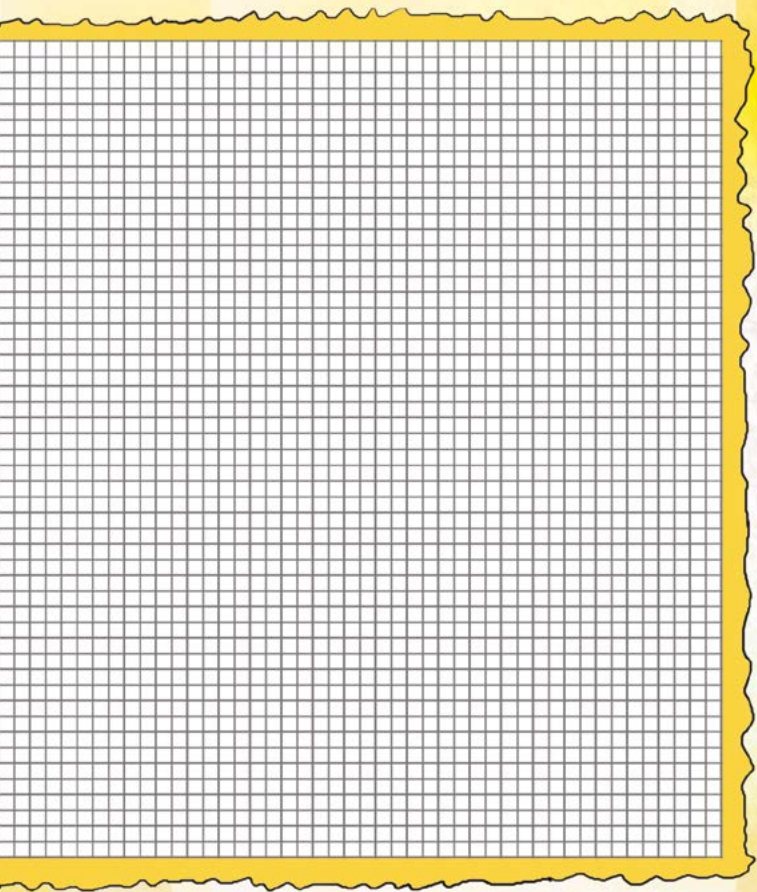

Bu hayvanların içinde bulundukları ortamları
çizer misiniz?

Kareleri boyayarak bir resim yapmak ister misiniz?
Haydi buradaki resmi tamamlayın.

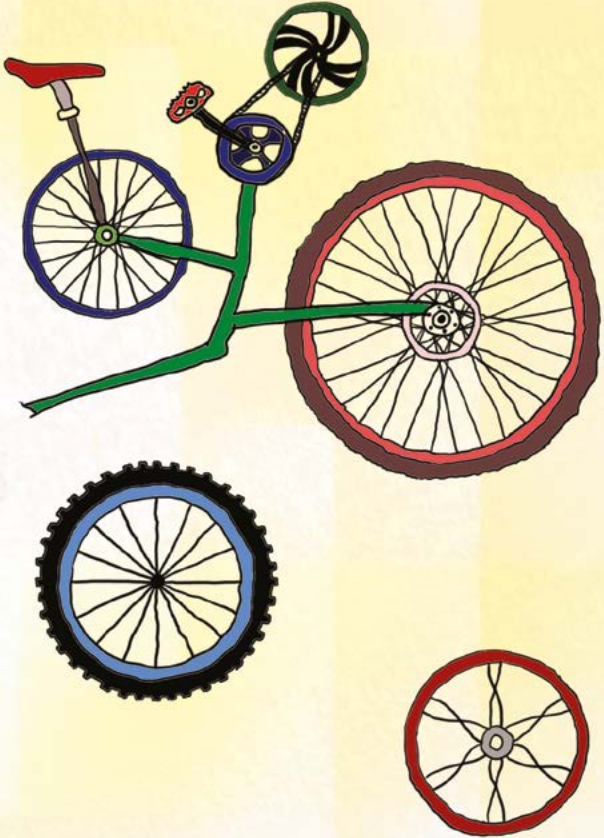

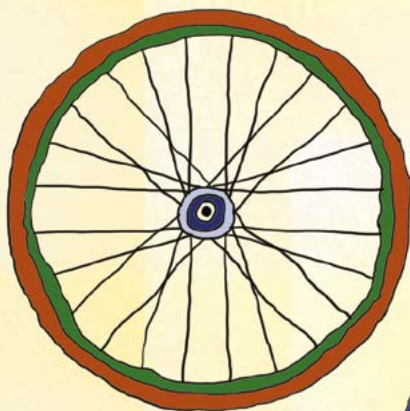

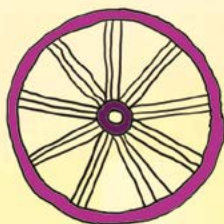

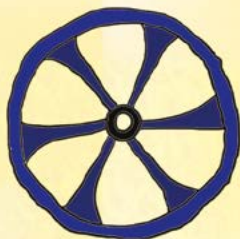

Buradaki dikdörtgenleri insanlara dönüştürebilir misiniz? Birini biz yaptık. Kalanları da siz yapın.

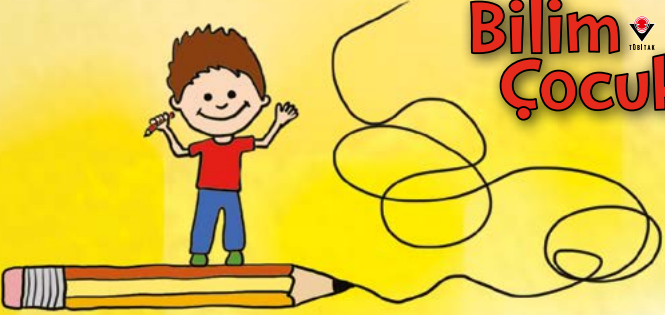

Buradaki bisiklet parçalarını bir sürü tekerleđi olan çılgın bir bisiklete dönüştürebilir misiniz?

Hiç Durmayalım Hep Çizelim

Hazırlayan: Zuhâl Özer
Çizim: Yusuf Gençer
